DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 11/12/04 has been entered.

2. Claims 1, 4, 5, 9-34 are pending in the application.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

Claims 1, 12, 13, 14 and 24, the prior art does not teach setting a basic body having specific base attribute parameters in advance for said skeleton model; modifying the base attribute parameters of said basic body according to the ratio of the outline trace associated with said skeleton model to data associated with the basic body to obtain modified attribute parameter including at least one of power parameters and speed parameters; attaching the modified attribute parameters-to the data of said expanded and converted three-dimensional display object images and displaying data of the expanded and converted three-dimensional display object image on said display device; converting said input outline trace into closed outline traces corresponding to each of said plurality of skeletal parts; when there are a plurality of said input outline traces for said skeleton model, converting said outline traces into a single closed outline

trace formed by connecting the outermost traces of said outline traces; and when said input outline trace is input to span a plurality of skeletal parts, converting said input outline trace into closed outline traces for each of said plurality of skeletal parts.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
